COME MANTENERE NEL TEMPO I TUOI ARREDI

Consigli per il lavaggio dei cuscini

Se il cuscino non è sfoderabile, lavarlo con sapone neutro a 40°. Se il cuscino è sfoderabile togliere l'imbottitura e lavare la fodera a mano.

Consigli per la manutenzione dei mobili in alluminio o ferro

In caso di graffi o scalfiture, applicare localmente un'apposita vernice per l'alluminio o ferro.

Consigli per la manutenzione delle parti in Teak

Il Teak con il tempo acquista un leggero colore grigio, tipico di questo legno. Chi non gradisce questo aspetto può usare il nostro Kit di Manutenzione per proteggere le parti in Teak dagli agenti atmosferici. A superficie asciutta applicare uno strato sottile di olio per Teak con un panno o un pennello. Questo trattamento effettuato una volta all'anno mantiene l'aspetto fresco degli arredi.

HOW TO MAINTAIN YOUR FURNITURE OVER THE YEARS

Advice for washing cushions

If the cushion does not have a removable cover, wash it with neutral soap at 40°C. If the cushion has a removable cover, take it off and hand wash the cover.

Advice for the maintenance of furniture made of aluminium or iron

For scratches or grazes, apply a special paint for aluminium or iron to the parts concerned.

Advice for the maintenance of Teak parts

Teak, over the years, acquires a slightly grey colour, which is typical of this wood. If you don't like this aspect, you can use our Maintenance Kit in order to protect the Teak part from atmospheric agents. Make sure that the surface is dry and apply a thin layer of Teak oil with a cloth or a brush. Carrying out this treatment once a year will maintain the new appearance of the furniture.
